TERMS AND CONDITIONS - AGREED TO BY PATIENTS / PARENTS / LEGAL GUARDIANS

Please ask us, at the practice if you, the patient, do not understand any of the clauses below.

PRICING/FEES AND PAYMENT

- Please refer to our Billing Policy attached hereto which outlines the following in detail:
 - 1.1. Pay-as-you-leave concept; non-medical aid practice;
 - 1.2. Patient's exclusive responsibility when dealing with a medical scheme;
 - 1.3. Coverage of Patient's fees;
 - 1.4. Costs excluded from Patient's fees and fees for procedures outside of the practice;
- The cost of healthcare depends on how your body reacts to treatment and/or procedures, it's for this reason that the law allows us to intervene to save your life by either preventing or reducing harm to you. We will charge for the costs of this.
- Accounts must be settled immediately after each consultation.**
- By choosing the Practice, you –
 - 4.1. Confirm that the Main Member as indicated on the form belongs to the scheme as principal member.
 - 4.2. Accept that payment must be made immediately after consultation and no accounts will be submitted to Medical Schemes.
- You, if you are an adult (includes dependent on someone else's medical scheme), you remain fully liable to settle the full account, irrespective of whether your scheme gave pre-authorization or not. If your scheme has only paid a portion of the treatment cost, you are liable to pay outstanding cost immediately on the day of your consultation.
- 20 working days' notice will be given for accounts not paid within 30 days, in terms of the National Credit Act. If you fail to settle the account within another 10 days, the account will be handed over for debt collection. Not only may this result in you having a bad credit record, but a 2% maximum interest fee will also be charged per month for all outstanding accounts. You will be responsible for all the costs including those that are derived services of the debt collector or an attorney.
- Complaints regarding payment by the medical scheme can be directed to the Council for Medical Schemes by fax: (012) 431-0608 or at this email address: complaints@medicalschemes.com. Any queries regarding the terms and conditions of the scheme can be directed to the National Consumer Commission at fax: 086 151 5229.

ON TIME OF PERFORMANCE OF SERVICE

- We do our best to render timeous services, however due to unforeseen circumstances we must give preference to emergency cases or where a previous patient may require extra time. By agreeing to our services, you agree to this uncertainty. We will, if possible, inform you if we run late.

CONFIDENTIALITY

- This document constitutes a contractual agreement by the practice to protect all personal information and hold it in confidence to the extent required by law.
- As an adult, or a consenting child over the age of 12 (twelve), your information provided to us will only be used in relation to your healthcare. None of your information will be shared without your informed and written consent. All information is kept confidential and if a family member requests your information, your written consent must be provided to that specified family member for the information to be disclosed.
- The following special cases exist where the law compels us to disclose your personal information and by agreeing to our services, you acknowledge this legal duty that we have to disclose:
 - 11.1. To your medical scheme: a diagnostic code and details of the treatment and/or operation, so that the scheme can evaluate whether it falls within your benefits.
 - 11.2. To the Compensation Commission or the Road Accident Fund: if you want to claim from them in cases of work-related illness or injury, or in the case of a motor-vehicle accident, all details they require of us.
 - 11.3. To referring or other healthcare professionals involved in your care: information that is necessary and in your best interest will be shared with such healthcare professionals in terms of the National Health Act.

- Some medical schemes provide all information on all the dependents on a scheme to the principal (main) member. We do not accept liability for any personal information that is disclosed as a result and you should direct queries on this to the medical scheme you belong to.

PURPOSE AND NATURE OF HEALTHCARE

- You confirm that you understand that in healthcare results cannot be guaranteed. Results also depend on how one's body reacts to the treatment and/or operations.
- You confirm that you understand that your own behaviour or that of a child or dependent may affect the outcome of the healthcare received. You agree to follow the instructions provided to you by the healthcare professional/s and/or attend follow-ups, etc. If you do not do this, you undertake to not hold the Practice and its staff liable for any negative consequence.

CHILDREN AND HEALTHCARE

- You confirm that you understand that, as a parent or legal guardian, you are legally liable to cover the cost of your child's healthcare**, even if the Children's Act allows the child to provide consent to treatment without your consent (children 12 – 18 years who understand the implications of the treatment). You also confirm that you understand that there is a special legal dispensation and form that must be used in cases of operations on children.

EQUIPMENT, DEVICES AND MEDICINES ("GOODS") WE USE / PRESCRIBE / MANUFACTURE

- If we must substitute a medicine or device with another one, we will obtain your consent. This is however not possible when you are in theatre, but we will inform you of that afterwards. In theatre we will only substitute if necessary, such as when certain goods are not available, or are not working for your specific requirements. If you are offered a substitution at a pharmacy level, ask the pharmacist whether such substitution would be in your best interest, or ask us at the practice. Remember that the law only allows for generic substitution (the same molecule) and does not permit therapeutic substitution (another molecule).
- Pharmacy- and health legislation prevents us from taking back any equipment, devices, orthoses/insoles, or medicines we have provided to you. We can also not refund you in these circumstances.
- If there is a proven quality or performance fault with the goods, we will contact the supplier, who will deal with the matter. They will decide on whether a repair, refund or replacement would be provided. Note that each manufacturer may have its own rules in this regard. In general, if you have made changes to the goods, you may invalidate any warranty.

APPOINTMENT POLICY

- If you are 15 minutes, or more, late for your appointment, the Practitioner may or may not see you. This is entirely at their discretion.
- Appointments not cancelled within 24 hours notice will be charged for, as per the Billing Policy of this Practice.**

COMPLAINTS PROCEDURE

A complaints form may be requested for any complaints related to the practice, whether it be the Practitioner, reception staff or services you received at the practice. We request that you take your grievance up with the practice first, before embarking on other routes.

PATIENT / CLIENT / CONSUMER DUTIES (NATIONAL HEALTH ACT, 2003)

- You must adhere to instructions given and the rules of the practice always. Questions are important and should be asked and answered. Failure to ask questions leads to the assumption that you agree with and understand everything.
- Harassment towards Healthcare professionals and staff of the practice will not be tolerated and by law we can refuse to treat or continue to treat or refer you to an alternative practice.
